- During adverse conditions:
- Use published timetables for the scheduled times of buses but expect transit service delays and prepare accordingly.
 - To see the status of your route during a snow event visit Metro's [Alerts Center page](#).
 - Conditions and this information are subject to change due to factors beyond Metro's control; information is updated as soon as possible, but there may be delays in providing the most current status.
 - The [online Regional Trip Planner](#) does not reflect reroutes or delays; itineraries provide regularly scheduled service.
 - Metro's [Tracker](#) system may not report accurate predicted bus arrival times when buses are rerouted or otherwise affected.
